

FIRE SCIENCE CADET CLASS 11 RECOGNITION CEREMONY

April 24, 2024, Springdale, MD

D. Robinson, May 1, 2024

The collaboration between the Prince George's County Fire Department and Prince George's County Public Schools together has turned out another successful class of Fire Science Cadets. Members of Class 11 stepped across the stage, at Charles H. Flowers High School, to receive their Certificates of Completion from Fire Chief Tiffany Green. Special awards were presented to Cadets for scholastic achievements, improved performance, and the willingness to work with and help others.

Cadet Class 11, comprised of students from both Gwynn Park and C.H. Flowers High Schools, listened to the congratulatory words from Chief Green. A former Fire Science Cadet, Devin Penn, attended and offered words of encouragement. Firefighter Penn completed the program in 2017 and is currently assigned to Fire Station 29.

The Fire Science Cadet program is not just classroom learning, the cadets are also required to participate in field exercises. To the delight of the Cadets and the audience, a video was shown of the required tasks performed outside of the classroom.

In addition to a large number of cheering families and friends, the audience included Fire Chiefs, Assistant Fire Chiefs, Fire Training Academy personnel, Firefighters, members of the Career Technical Education Staff, and of course, Executive Director Bill Taylor for the Coalition for Public Safety in Training in Schools, Inc.

Congratulation Fire Science Cadet Class 11 – YOU'VE DONE WELL!
